BUILDING BRIDGES MENTORING PROGRAM

Date: _____

To the Parent(s)/Guardian(s) of _____,

We are delighted that your son/daughter has been referred to participate in the Building Bridges Mentoring Program (BBMP) which finds Mentors (also known as a big brother/big sister) for your child. A mentor's role is that of a friend who provides support and guidance while having fun in taking an interest in your child's growth and development. A mentor will meet with your son/daughter for one hour a week at either your child's school or in the community.

We believe that all young people have the capacity to make positive choices. Research shows that mentoring leads to positive results in children's lives. BBMP is committed to providing an exceptional support system through quality mentor training and monthly group activities that build safe, healthy relationships between mentors and your children.

We hope that you will grant permission for your son/daughter to participate in the program. The Building Bridges Mentoring Program values parents' input and looks forward to creating a relationship with you to offer the best services your child.

Please contact me to set up a time to meet with you to complete an application for your child to begin their fun with a BBMP Mentor. I encourage you contact me at any time with any questions. We look forward to hearing from you.

Warm Regards,
